We are proud to announce that Newnan High School senior Bennett Rowan was selected as the first recipient of the Hunter Scarbrough Leadership Scholarship.

Bennett was presented with the award during Newnan High School Honors Night ceremonies, held on May 4, 2017.

We wish Bennett well as he heads for college and know he will continue to display the qualities that led to his selection for the scholarship.

The Hunter Scarbrough Foundation was created to honor Hunter's memory by presenting a one-time college scholarship to a high school senior who has excelled academically and demonstrated the qualities Hunter possessed and shared with others, including faith, leadership, academic perseverance, and community service.

Bennett's scholarship was the first scholarship presented. In coming years, the Hunter Scarbrough Foundation will endow a Newnan High School, Northgate High School and East Coweta High School senior with a one-time scholarship to be used towards college expenses.
